

Our Core Values

Openness

We accept constructive criticism. We honor transparency and vulnerability. And we're proud to be approachable and always willing to learn something new.

Integrity

We keep ourselves accountable. We believe in working for the greater good. And we commit to doing the right thing—placing your interests above our own.

Fun

We work hard—and play harder. We celebrate victories big and small. And we make mortgage lending an exciting, memorable experience.

Emotional Intelligence

We know what to say—and when to say it. We listen for the emotions, not the words. And we spend time reading others and practicing self-awareness.

Passion

We have pride and are dedicated to our work. We are constantly on a quest for knowledge. And we love to help people—plain and simple.

Positivity

We see the glass half full. We have a can-do attitude. And we believe in smiling in person, on the phone, and via email.

Proactive

We are a group of self-starters. We solve problems before they happen—and we're always anticipating ways to be better.
